

Product Overview

Air Curtains Commercial Entranceway

Swift5 Series

An electric option that easily mounts on any take-out window to create an air seal to keep conditioned air in the building and dust, dirt, and insects out.

Applications

- Commercial – drive thru windows

Breeze9 Series

A premium high-efficiency 120 voltage air curtain model that easily mounts on any door up to 9' high and creates an efficient air seal. These can be stacked for wider openings.

Applications

- Commercial – entrance doors

Select10 Series

Surface mount up to 10' high. Available in electric and ambient models, plus the quietest operation in its class.

Applications

- Commercial – entrance doors

Breeze8/10 Series

Easily mount on any door from 8' - 10' high in order to create an air seal. Available in electric and water models, and surface or recessed mounting.

Applications

- Commercial – entrance doors
