

CURVE

OUTDOOR INFRARED HEATER

UNIQUE CANTILEVERED DESIGN

The cantilevered design allows you to place the Curve in outdoor spaces that traditionally have been difficult to heat, such as over tables or sectional outdoor sofas.

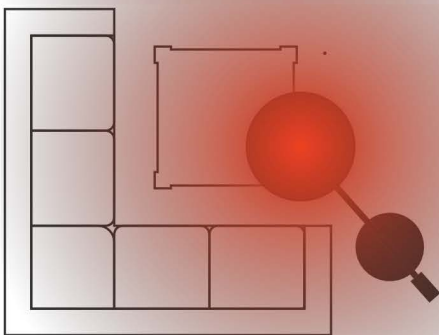

INFRARED HEATING ELEMENT

Infrared heating element delivers powerful infrared wavelength heat where you need it the most, downwards.

TOUCH OPERATED CONTROL

Our unique one-touch electronic ignition makes turning on the Curve a breeze while the hi-low setting control lets you dial in just the right amount of heat.
